

WORLD TEAM OLYMPIAD

New name 2008: World Bridge Games

**Vanderbilt
Trophy**

The *World Team Olympiad*, inaugurated in 1960, was the first competition to be set up by the WBF itself; the *Bermuda Bowl* already being well established when the WBF was founded in 1958.

Harold S. Vanderbilt, the inventor of modern bridge scoring, endowed the new event with a handsome cup, the *Vanderbilt Trophy*. His generosity continues to provide replicas for each member of the winning team.

The first Olympiad was held in 1960 in *Turin, Italy* and from the second in 1964, the two events (Open & Women) have practically the same format as now a days. A third series, reserved for senior players (55 [now 60] or older) was introduced in 2000. A national Mixed Teams series were introduced 2016.

Every member country of the WBF is entitled to participate with one representative (national) team in each of the three series of the competition. Following the fashion of the Olympic Games, the World Team Olympiad is held on leap years only

In 2008, the World Team Olympiad was incorporated in the World Mind Sports Games, under the new title World Bridge Games.
